All return/exchange items should be shipped back in the original packaging and MUST be unused and in sellable condition. Items can be returned for a refund or exchange within 30 days of purchase. All returns MUST include a receipt or copy of invoice. There will be a \$10 cleaning fee assessed if items are not returned in original condition. Please allow up to 5 business days for your return/exchange to be processed after it is received.

Charges for shipping and insuring packages to and from Evolv are the customer's responsibility. Evolv ships all exchanges via UPS Ground (or USPS Priority Mail if shipping to a PO Box). We will charge you the actual shipping cost on your exchange. Failure to include credit card information will delay your exchange. Please be kind to the environment and our returns department and refrain from using any packing peanuts or Styrofoam when packing your return/exchange.
